

Gifts to Partners in Annual Giving, the college's annual fund, are used where the need is greatest and meet a variety of vital needs — from student financial aid and scholarships to faculty salaries and student-faculty research. Your gifts also fund academic resources such as library books and computers, musical instruments and athletic equipment, and classroom and residence hall improvements

Every gift matters, and each one is a statement of support for the St. Olaf mission and the continued financial health of the college. Your gift enhances the St. Olaf experience for current students and sets a foundation that enables them to lead grace-filled, values-driven lives. Not only is participation in the annual fund a strong indication of alumni satisfaction, but it also says that you value your St. Olaf experience and believe in its mission.

Students who organize and run the Senior Campaign each spring are following your example — before they leave the Hill — by educating their classmates about the importance of giving and its impact on the greater St. Olaf community.

"Giving to St. Olaf is about sustaining this place that has helped to shape who we are as individuals," says Senior Campaign committee member Clare Muffly '10. "This is made possible by continuing St. Olaf's philanthropic tradition."

The 2010 Senior Campaign committee invites you to support St. Olaf College by giving to Partners in Annual Giving.

Jeanne Foels, an English, art history, and women's studies major from Stillwater, Minnesota; Geoff Swanson, a political science and Spanish major from Grand Forks, North Dakota; Daniel Plunkett, a psychology major from Chicago; Clare Muffly, a history and Russian area studies major with a women's studies concentration from Tampa, Florida; and Hashim Yonis, a social studies education major from Minneapolis.
