

A Personal Invitation from St. Olaf College...

Become a member of the

MANITOU HEIGHTS SOCIETY

Please join us in experiencing the *joys* of legacy giving.

Members of the Manitou Heights Society support St. Olaf by making an everlasting gift that benefits the life and mission of the college we love.

That support comes through planned gifts and may include leaving a bequest in your will and/or revocable trust, a charitable trust or charitable gift annuity, a designation of retirement or pension funds, or a gift of life insurance.

Membership in the Manitou Heights Society is a decision that requires thoughtful deliberation, and a team of development professionals in Principal Gifts and Planned Giving is available to help.

Previous generations have laid a strong foundation for St. Olaf College, and the enduring value of their gift commitments provides for today's students. As a member of the Manitou Heights Society, you will share a bond of fellowship and confidence knowing that your gift is keeping the college's programs and facilities vital and strong for students in the 21st century and beyond.

By investing in St. Olaf, Manitou Heights Society members also honor the donors who have come before them. Through planned giving, the charitable pipeline is always full and the legacy continues.

Thank you for considering St. Olaf College in your charitable estate plans.
